Neema Foundation for the Deaf is hosting a roundtable discussion to assist learners and their families affected by the following challenges:

- Dealing with various types of abuse in the family.
- Fights in the home between Deaf learners and hearing parents.
- Conflict at school stemming from unresolved family issues result inappropriate behaviour.
- Experienced poor communication in the home due to lack of Sign Language knowledge.
- Experienced poor service delivery when seeking help to resolve conflict.
- Require psychosocial guidance or support to resolve matters.
- Battling with substance abuse such as alcohol and drugs.
- Facing any form of abuse/bullying because you are Deaf.
- Emotional, sexual and physical abuse (GBV).

The FAMILY CONFLICT RESOLUTION AND GENDER-BASED VIOLENCE ROUNDTABLE DISCUSSION is aimed at addressing the following:

- Improve communication skills between learners, parents and educators.
- Broaden knowledge of communication skills for use in their everyday life.
- Learn tools to better navigate communication breakdowns.
- The impact of violence that result to Gender-Based Violence in our Communities and the consequences thereof.
- Substance & Alcohol abuse and the consequences thereof
- Foster learners/parents/educator bond and effectively resolve conflicts.
- Anger management and promoting positive behaviour for Deaf learners.
- Develop common language and to find a communication structure that works for whole family.
- Assist Deaf learners develop a correct sense of value and citizenship.
- Assist Deaf learners to grow up well-adjusted and independent so that they can integrate into society.
